Note from the Treasurer

Client Fees: We are pleased to announce that client fees will remain the same at £23 per session. The Board of Trustees monitors ICARE's finances regularly and we are able to keep client fees at the current level for next financial year ended 31st March 2020. Our strong financial position is thanks to many very generous donations, the financial stewardship of the Board of Trustees and Sue Chown and her team and the wonderful results of our Fundraising Committee. The level of client fees will be reviewed next Spring 2020.

Diana Lomax,
Treasurer

Note from the Company Secretary

You may have noticed a couple of changes which the Trustees agreed a few weeks ago.

1. The ICARE logo has changed. We have kept the basic design but made it more modern looking by simplifying the lines of the letters and using the modern disabled person symbol.
2. Sue's title has changed to become 'Centre Manager' rather than Co-ordinator which the Trustees think better reflects what Sue does and, again, is a more in keeping with modern terminology. Wendy's title has similarly been changed to 'Deputy Manager'.

There are also a couple of other changes you should be seeing shortly.

3. We are updating the website to give a more dynamic feel and provide more information. We aim to launch that in April
4. We will be replacing the sign outside the Centre, including the new logo, to better advertise our presence and make it easier for people to find us.

As always, our approach has been to stick to the core values that make ICARE such a special place but move with the times to keep our services relevant and accessible in today's world.

Mike Talbot,
Company Secretary
